SoluGenius

PRICE LIST

Single services, how it works and terms

SINGLE SERVICES

SERVICE	SETUP	MONTHLY
AI voice receptionist 250 minutes a month, then 25p a minute	£997	£197
AI WhatsApp agent	£797	£147
Website AI chatbot	£497	£97
CRM setup and lead pipeline	£697	£97
Lead and quote follow up automation	£497	£97
Business process automation	from £797	from £97

Each includes 30 minutes of updates a month. If you need more than one service, a package usually costs less and includes more.

HOW IT WORKS

1. Free call
20 minutes to look at how your customers reach you.

2. Proposal
A fixed price for exactly what you need.

3. Build and test
Go live date agreed in your proposal.

4. Go live
With short training for your team.

5. Every month
We monitor, fix and improve it.

TERMS

- All prices exclude VAT and are the same for every client.
- Setup is paid 50% to start and 50% at go live.
- Monthly fees start at go live, by card or direct debit.
- Month to month, 30 days' notice. No long contract.
- Extra update time is £49 per 30 minutes. Bigger work is quoted.
- WhatsApp template message fees are passed on at cost.

This price list is a guide. Every business is different, so your exact price is confirmed in a written proposal after a free 20 minute call with one of our team. Extra pages, a custom design or connections to your own software may change the price.

Prices from 29 October 2026. SoluGenius is a trading name of Kiara World Limited, registered in England and Wales, company number 07689392. Based in Bolton, England.
